

Free COVID-19 Risk Management & Recovery Training for Northampton County Businesses

As COVID-19 cases continue to rise, obtain the information you need to keep your employees and your business safe. In collaboration with County Executive Lamont McClure and Northampton County Department of Community and Economic Development (DCED), we are pleased to offer free and safe COVID-19 awareness, risk management and recovery training to Northampton County businesses. Instructor led (live) training and independent (prerecorded) training options are available to accommodate the busy schedules of County businesses.

Instructor Led Virtual Training

Industry expert “live” training sessions for select industries, delivered via Zoom on the dates and times below. Participants must register to attend these sessions.

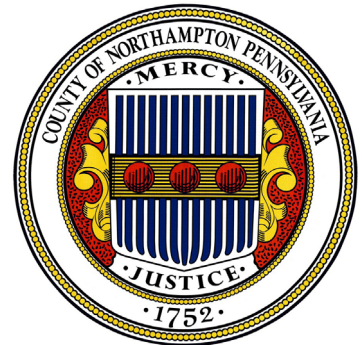

- **Senior Facilities** (Nursing Homes, Personal Care Homes, Adult Day Care and Home Health) - [Dec. 4](#), 10am
- **Child Care Providers** - [Dec. 4](#), 2pm
- **Retail & Service Providers** - [Dec. 9](#), 10am
- **Hospitality, Food & Beverage Industries** - [Dec. 9](#), 2pm
- **Manufacturers** - [Dec. 10](#), 10am
- **Municipalities** - [Dec. 10](#), 2pm

Independent Virtual Training

Pre-recorded training modules will be available to access at a time that best accommodates your busy schedule. Click and learn modules will be available until Dec. 31, 2021.

How to Attend

To enroll in live trainings or access independent modules, please visit northampton.edu/NCCovid. Participants must be employed in or residents of Northampton County. For questions, please email safety@northampton.edu.

Training is being funded with money from the CARES Act.
