FIRE & AMBULANCE

Mr. Jason Harhart read the May 2026 report.

EMERGENCY MANAGEMENT

Mr. David Tashner stated PP&L was at KRVFC fire station with their training trailer. They have another training scheduled for 2028. He also stated he's hit a few bumps in the road concerning Knox Boxes and getting them reactivated. Bath is going to be updating their Knox boxes with double key, so they have Moore Twps. key and then vice versa. Mr. Tashner gave the Supervisors proposals regarding 3 new Knox Boxes for inside the fire trucks, he can't continue going to businesses and recommending them without being able to use them. The issue is that the software is not being supported anymore for the boxes in the trucks. The businesses that currently have a box would not need to update them. Mr. Shaffer stated the board will take some time to look into this situation.

PUBLIC WORKS DEPARTMENT

Mr. Craig Hoffman is requesting the purchase of an asphalt roller. In 2023 an LSA Grant was obtained for \$25,000 towards that roller, and additional grants were applied for. Mr. Hoffman received a quote from Stephenson Equipment for \$87,800.00 in which the grants can go towards that total bringing it to \$62,800, the vendor is also a Costars vendor.

Mr. Piorkowski made a motion to purchase the new roller

Mr. Tirrell seconded the motion

Mr. Hoffman stated they are continuing to pave and replace pipes as they go. MS4 projects are expected to begin in July.

FIRST REGIONAL COMPOST AUTHORITY (FRCA)

Everything is up and running, looking for more townships to join and keeping operating costs the same.

NAZARETH COUNCIL OF GOVERNMENTS (COG)

Upper Nazareth updated their Data Center Ordinance and presented a warehouse project for Hanover Township Nothing concerning Moore was on the agenda.

RECREATION COMMISSION

Ms. Jodi Hartzel the board has had 3 applicants to fill the vacant spot on the board. They are recommending Stephen Marks, and his term will run to December 31, 2026.

Mr. Tirrell made a motion to appoint Stephen Marks to the open position on Rec Commission until Dec. 31st, 2026.

Mr. Piorkowski seconded the motion

Mr. Tirrell noted that some other boards have floating members, such as Historical, he questioned if this could be possible for the Recreation Commission as well. It will be checked into to see if there is interest and changing any wording needed to allow this option.

HISTORICAL COMMISSION

There was a long discussion on the flooring, and the decision is to keep the plan that they had and not stain the wood. August 9th is the Eagle scout court of honor, to walk people through. Mr. Nowroski added he has another meeting with a draftsman to evaluate HVAC options.

LAND & ENVIRONMENTAL PROTECTION BOARD (LEPB)

Ms. Geisner stated the recycling event totaled 17, 859 lbs. of electronics, RRS gave their dates for availability for April 2027. Discussion resulted in a preference for April 24th, 2027, from 9-11am as the next recycling event.

Mr. Piorkowski made a motion to approve April 24th, 2027, from 9am-11am, as the next Electronic Recycling Event

Mr. Tirrell seconded the motion

She also stated a recycling program will begin at the recreation center as well as the municipal complex, to help reduce our landfill waste, promote sustainability, and it will be beneficial for our Sustainable PA program application. Bins will be placed at each location and will be collected by Berger sanitation. This will be brought to the supervisors next month. Trees will be planted around the township commemorating America 250, Princeton Elms, for their relevance of gathering spots during the American Revolution.

Mr. Shaffer stated the newsletters should get mailed out this week if not by next week.

COMMUNITY DAYS COMMITTEE

Ms. Hartzell stated planning is still underway, volunteer signups will be soon, and advertisements will go out shortly.

ZONING AND BUILDING OFFICER

Mr. Harhart submitted his May report.

TOWNSHIP ENGINEER

Mr. Horvath spoke of the East Beersville Road Solar Project improvements security reduction requested and inspection so funds may be returned to them. Mr. Horvath stated he recommends reducing the security by the requested \$125,185.50, due to the work that has been completed.

Mr. Tirrell made a motion to reduce the security of the E. Beersville Solar Project by \$125,185.50

Mr. Piorkowski seconded the motion

Mr. Horvath stated they still have some road improvements to accomplish, landscaping, as well as infiltration.

TOWNSHIP SOLICITOR

Attorney Backenstoe gave another Animal Ordinance update, most of the ordinance stayed the same except the defining of mini livestock. Mr. Nowroski stated there are areas in our zoning ordinance that need some cleaning up, so he created drafts. Definitions for animals and livestock as well as agricultural uses could cause confusion. Modifications to existing provisions for livestock based on weight, with adding a table graph for visual aspects. Attorney Backenstoe and Stephen will go over this one more time before sending off to LVPC.

TOWNSHIP MANAGER

Mr. Nowroski stated the township received \$28,456 from an LSA Grant toward a police vehicle as well as \$45,165 towards the P25 radio upgrades which have already been planned and budgeted for so this will help in offset costs. The next item discussed was an access control system to install at the recreation center. This system would be the same as the one used at the township building. The quote for installation, which includes 50 of the key fobs, and is a Costars vendor, is \$32,995.00.

Mr. Piorkowski made a motion to move forward with the access control system

Mr. Tirrell seconded the motion

CORRESPONDENCE/MEMOS

OPEN TO THE FLOOR

Bill Leiner from the Northampton Press questioned how the weight table in the new Animal Ordinance would work. Mr. Nowroski explained that the proposed ordinance has a two step process, the first step is to look at the table for the standard weight of an animal, and the second step is to see how many animals of that weight are permitted on the lot depending on acreage.

Anneke Van Rossum from the Delaware River Keeper Network was present to speak of the Data Ordinance for Moore Township. She stated there are some recommendations she can provide to be added to the ordinance, she will send them to the BOS to review, but overall, the ordinance was well written.
