Lights at McAndless

The MTAA would like to purchase lights for the McAndless field. It was stated that L&I would need to be contacted for a permit, being commercial and the Township is an "Opt Out" municipality. The MTAA would be able to fund the lights and poles but is requesting help with the added funds should they need to go through L&I. The Township also stated becoming an "Opt In" municipality may help as well. It was questioned if the Township would be able to donate money towards the project, it is unclear if that is possible without having to bid on the project. Attorney Backenstoe will look into the options and the BOS will wait until next month at the meeting to learn more about becoming an Opt In municipality, once Mr. Nowroski gathers information for them to discuss the process. Mr. Shaffer requested that the MTAA enter an agreement with Osmos for the light poles, including the football field, to ensure maintenance and inspections will be done in a timely manner.

Mr. Shaffer made a motion to allow MTAA to move forward with the lights on McAndless with the conditions that MTAA will enter in a maintenance agreement with Osmos for all wooden poles at the rec center.

Mr. Piorkowski seconded the motion

COMMUNITY DAYS COMMITTEE

Ms. Kerbacher reported that June 28th S. Penn Dixie will be performing for Concert in the Park.

ZONING AND BUILDING OFFICER

Mr. Harhart submitted his May report.

TOWNSHIP ENGINEER**MS4**

Mr. Horvath made a quick update on the MS4 basins and mentioned the townships PW dept will be handling some upgrades to save on costs.

TOWNSHIP SOLICITOR

Attorney Backenstoe researched the previous request on possibly adding a firearms ordinance. He proposed two drafted possible options. Ofc. Roberts did confirm there had been no other calls for that resident in the township. There have also been no other issues Township wide with firearms. The BOS decided against adding an ordinance on firearms, they feel as though the Moore Twp. PD can handle any of the issues that arise concerning this. Attorney Backenstoe also gave a brief update on the case concerning Water's Edge warehouse.

TOWNSHIP MANAGER**Park Camera Project****Worldwide Enterprise Solutions, Inc.**

Mr. Nowroski explained these cameras would be installed at the rec center. Specifically, the pavilion, storage barn and a pole near the basketball court. PW will install the pole; total cost would be \$12,732.00. Anyone that is given access will be able to view the cameras; it will operate off the T-Mobile internet the township has installed at the pavilion. Bushkill Township also uses this vendor.

Mr. Shaffer made a motion to move forward with the cameras for the rec center at \$12,732.00
